Specific and targeted goals for students on individualized programs <p>Goal 3</p> <ul style="list-style-type: none"> Stirling School will continue to place literacy and numeracy as the driving force for all academic learning <p>Strategies</p> <ul style="list-style-type: none"> Working through the literacy implementation maps housed on the staff website As part of our supervisory role, we will engage teachers in conversations about how they are integrating literacy supports into their instruction 	<p>Measures</p> <ul style="list-style-type: none"> All classes will demonstrate measurable improvement on the 3T and numeracy screens over the course of the 2022-23 school year. In order to address identified areas of concern, teachers (with the support of administration) will integrate a systematic approach to literacy and numeracy intervention (through the use of centres, flex blocks, and other intervention structures). <p>Celebrations</p> <ul style="list-style-type: none"> Percentage of parents that believe their child is reading at grade level <p>Moving Forward</p> <ul style="list-style-type: none"> Summer reading program collaboration with the Village library Literacy corner in our monthly newsletter, full of information that parents can use at home to expose their child(ren) to more reading opportunities. Continue with literacy/numeracy intervention in Division I and II. More effectively use Flex for literacy and numeracy intervention in Division III and IV. 	<p>Measures</p> <ul style="list-style-type: none"> Parent night to involve parents in the educational process. Encourage students to sit down with our academic counselor to map out their educational journey starting in grade 9. Provide staff with professional development on different teaching strategies and assessment tools. <p>Celebrations</p> <ul style="list-style-type: none"> Our school had a 94%-99% attendance average throughout the school year. Considering the Covid restrictions we felt that this was a very good attendance record. Parents felt safe sending their children to school because of our adherence to the Covid guidelines. Learning overtime - This is one of our advantages in our K-12 school that we can meet the needs of our students and how we can best assist them with their education as we have them for potentially 14 years. <p>Moving Forward</p> <ul style="list-style-type: none"> All students will reach the acceptable standard on the Provincial Achievement Tests. Teachers in non-PAT grades/courses will identify and develop student competencies in key areas. 	<p>Measures</p> <ul style="list-style-type: none"> Celebrate successes through assemblies and social media platforms Frequent opportunities to collaborate to design activities for students K-6 teachers will utilize CRM meeting time to analyze and address literacy and numeracy needs through intervention strategies and classroom practice. 7-12 teachers will organize FLEX blocks such that they can address emergent needs through targeted intervention strategies. We will begin by targeting vocabulary acquisition. <p>Celebrations</p> <ul style="list-style-type: none"> The individual meetings between high school students and Mrs. Branch, our educational counselor, has been an integral part of students and parents feeling like they know what they need to do in order to achieve where they would like to end up. Students have taken advantage of our rewrite policy as teachers continue to work with students during Flex, before or after school to reinforce learning if and when the student is interested. <p>Moving Forward</p> <ul style="list-style-type: none"> Collectively, Stirling staff will work to create a culture wherein students feel supported, safe, and successful in their academic and co-curricular endeavors. Additionally, our academic advisor will maintain careful records with regard to each high school student's credit count, and chart an appropriate course plan for graduation.
