

CAREER EXPLORATION SESSION

PHLEBOTOMIST

APRIL 25, 2024
4:00pm

Do you have excellent hand-eye coordination, good attention to detail and good communication skills? Are you able to follow rules and procedures while being understanding and empathetic?

If so, and you have an interest in the medical field, phlebotomy might be the career for you. As an essential part of the health system, a Phlebotomist performs blood draws on people. Blood may be collected for donation or for testing and analysis.

Amelia, from Canadian Blood Services, will share details of her chosen career and what you need to know.

Register now for this *FREE* virtual session!

Once registered, you will receive an email with the link, plus additional information regarding the event.
